INDIVIDUAL(S)/AGENCY CONTACTED Mr. E. A. Poe

CONVERSATION DESCRIPTION Mr. Poe called regarding my letter dated 12/19/94  
which assigned new ownership of the above stockpond certificates. Mr. Poe  
informed me that the Napa County information and ours were incorrect. He  
informed me that ownership of the two water rights are:

E. A. Poe and Lorraine L. Poe (husband and wife)  
1472 Elsie Court  
Santa Rosa, CA 95401  
707-544-5451

Estate of Roy E. Plum  
William R. Plum (William and Robert are brothers)  
Robert Plum

Mr. Poe acknowledged that the Napa County Assessor's Office show ownership in the  
names which were assigned by my letter. Mr. Poe agreed to send letter to me  
identifying correct ownership of the properties and W.R.'s as well as an agent  
assignment signed by all parties.

Mr. Poe also stated that he has not been served in the Putah Creek lawsuit.

I informed Mr. Poe that I would await his letter before making any further  
changes to our ownership records and he concurred.
